Farewell Rhilochan

(NAPS)—In a moving tale of love and loss, a young woman is torn between loyalty to her people and her desire to embrace the larger world. When Catherine MacFarlane,

A new book tells the story of the Highland Clearances and the struggle of the Highland Gaels to maintain their tribal identity.

the heroine of “Farewell Rhilochan” (Classic Day Publishing, \$16.95), and her Scottish Highland neighbors are driven from their homes during the Highland Clearances of 1806, she is forced to make a choice between what she knows and what she can imagine.

“Farewell Rhilochan” eloquently relates a story of survival, loyalty and the resiliency of the human spirit. Forced to burn their homes and abandon all they know, the novel’s characters take a journey blighted by injustice and yet graced with love and kindness.

Author Verna MacLean studied the history of the Highland Clearances in the U.S. and Scotland. The book is now available at <http://www.newworldpressbooks.com> or by calling (800) 915-5969.
